ATTENTION: YOUNG SCHOLARS! CRITERIA CHANGES FOR 2014 W-SC JACL SCHOLARSHIPS

Changes have been made to the JACL’s selection criteria for the Dr. Francis Choy, Kee Kitayama, Frank Mito (new for 2014), and Ray and Louise Sako Scholarships:

Applicants will apply for scholarships by submitting generic application information that could apply to and satisfy all of the four scholarship funds.

The JACL’s Scholarship Committee will determine, based on factors such as meritorious performance; grades; participation in certain social activities and organizations; level of volunteerism; and length of membership in the W-SC JACL, the Watsonville Buddhist Temple, and/or the Westview Presbyterian Church, which applicants will receive which scholarship.

All scholarship recipients and their parents must be JACL, Watsonville Buddhist Temple, and/or Westview Presbyterian Church members for a minimum of one year prior to receipt of scholarship.

An exception will be made for the upcoming June 2014 scholarships because of this late notification. The one-year membership requirement will be shortened to six months (i.e., membership to one or more of the organizations no later than January 1, 2014).

Unless there are extenuating circumstances, the scholarship recipient and/or his/her parents must be present at the awards ceremony, which will take place at the JACL’s Annual Community Picnic on Saturday, June 28, 2014, at the Apts Village Park, 100 Apts Creek Road, Aptos, CA 9503.

An announcement for scholarship applications will be included in the Watsonville-Santa Cruz JACL newsletter, the Watsonville Buddhist Temple’s ICHIMI and/or the Westview Presbyterian Church’s Chimes no later than the April issues. That announcement will include requirements, documentation, and information needed to apply—along with the submittal deadline. The final determination of scholarship recipients will be made no later than the end of May 2014.

For additional information or for questions, please email our scholarship committee chair, Dr. Brooke Kondo, at brooke.kondo@gmail.com.

National JACL’s 2014 Scholarship Program

The National JACL announces its National Scholarship and Awards Program for the 2014 academic year. The JACL annually offers approximately 30 college scholarships for students who are incoming college freshmen, undergraduates and graduates, and those specializing in law and the creative/performing arts. There is also a student aid scholarship to address the increased challenge students face in meeting rising tuition costs.

JACL, in partnership with Meiji Gakuin University in Tokyo, also offers a U.S.-Japan Scholarship for an incoming college junior who wishes to study in Japan. Meiji Gakuin University, founded in 1863, is one of the oldest universities in Japan. This two-year scholarship will lead the recipient to a bachelor’s degree in International Studies. All classes are taught in English.

A scholarship program brochure and applications for 2014 can be found on the JACL website at www.jacl.org, and clicking “Education” on the menu bar. The National JACL Scholarship Program requires that all applicants be a student or individual member of the JACL. Membership under a parent will not fulfill this requirement.

Freshman Applications

The freshman applications must be submitted directly by the applicant to our chapter--W-SC JACL, P.O. Box 163, Watsonville, CA 95077-0163—postmarked no later than Sat., March 1, 2014. [Editor’s warning: US Post Offices are closed on Saturdays!] Students who require the mailing address for their chapter may contact JACL Membership Coordinator Annie Noguchi at: anoguchi@jacl.org or by calling (415) 921-5225. Please put “Chapter Scholarship Chair Address Requested” in the subject line of your email.

JACL chapters then have one month to screen the applications and forward their “most outstanding” freshman applications to: “National JACL Freshman Scholarship Committee,” c/o San Diego JACL, 6917 Town View Lane, San Diego, CA 92120. There is no limit to the number of applications a chapter may forward to National for consideration, but it is requested they only be of the strongest applicants. Chapters must submit their selected freshman applications to the National Committee, postmarked no later than April 1, 2014, in order to be considered.

Other Grade Level Applications

Applications for the “other” scholarship categories (undergraduate, graduate, law, creative/performing arts,
and student aid) are to be sent directly by the applicant to: “National JACL Scholarship Committee,” c/o Washington, DC JACL, 5406 Uppingham Street, Chevy Chase, MD 20815. Applications for these categories must be postmarked no later than April 1, 2014 to be considered.

**U.S.-Japan Scholarship**
The Meiji Gakuin-JACL Scholarship involves two completely different applications, which can be requested directly from Meiji Gakuin University via the JACL website. It is requested that chapters inform their respective membership and communities of the National JACL Scholarship Program, which can be an opportunity to boost membership for the chapter and stimulate interest in the JACL.

For more information on the National JACL Scholarship Program, contact Regional Director Patty Wada at pwada@jacl.org, or National JACL Vice President for Planning & Development Chip Larouche at clarouche@jacl.org.

**W-SC JACL'er EARNS HER DOCTORATE**
**By Proud Father**

Elizabeth Rose (E.R.) Mayeda recently earned her PhD in epidemiology (the study of diseases) from the University of California, San Francisco. She was the first person to graduate with doctorate in epidemiology from UCSF. Prior to this, she received bachelor's in integrated biology and public health from U.C. Berkeley and MPH (masters in public health) from Columbia University. She was a research associate at both Columbia and UCSF.

In September, Elizabeth Rose presented an exit seminar entitled, “Diabetes, risk of dementia and cognitive decline, and the competing risk of mortality.” Her public health area of expertise is bio-statistics and translational science. During the past three years, she conducted a statistical analysis that weighted various risk factors associated with dementia. Since graduating from Berkeley, her name has appeared on ten research publications.

When asked to describe her research area of interest, E.R. said, “I am interested in epidemiology of aging and methods to overcome methodologic challenges in longitudinal studies of aging. My dissertation focused on the relation between diabetes and risk of dementia in older adults and the role of the competing risk of mortality in our ability to observe this association.”

Students in the Epidemiology and Translational Science PhD program, which accepted its first students in 2010, are trained in the most advanced methods for studying disease etiology and prevention; for evaluating diagnostic tests and treatment efficacy in clinical settings; and for implementing evidence-based approaches in clinical practice and population health. UCSF posted more information about the program and E.R.’s work at the following website: [http://graduate.ucsf.edu/news/epi-program-grants-first-degree](http://graduate.ucsf.edu/news/epi-program-grants-first-degree).

She has new position as a post-doctoral staff researcher UCSF. She continues to run as a member of the Impala Racing Team based in San Francisco. She is sponsored by Nike and runs competitively in road races (5K or 10K), half marathons and ran her first marathon this year under three hours.

![Elizabeth Rose (center), with her siblings, Walter and Mary, are all awardees of the Watsonville Santa Cruz JACL Kee Kitayama Memorial Scholarship.](image)

Mary is an environmental planner for the U S Forest Service in the Plumas National Forest (Feather River Canyon) and lives in Paradise, CA. Walter is an Agricultural Inspector for the County of Riverside. He lives in the city of Riverside.

**[Editor’s note: we are so proud of our scholarship recipients—all of whom have graduated or about to graduate. If you are a recipient of one of our scholarships and/or of a National JACL Scholarship, please let us know what you’re doing. Please email Mas Hashimoto at hashi79@sbcglobal.net or write to 578 Vivienne Drive, Watsonville, CA 95076. And, don’t forget to include photos!]**

**2014, THE YEAR OF THE HORSE**

Horse-year people are very skillful in paying compliments and are quite popular. They are skillful in financial matters.

They are cheerful at times and are able to grasp other people’s meanings and intentions quickly. They are wise and talented and skillful with their hands. They are very decorative and showy in dress and manner. They appear as though they will never lose at anything, but inside they can be at times insecure, especially with the opposite sex. So, to offset their insecurity, they tend to talk too much.
Horse-year people are not noted for their patience and can be hot-blooded at times. They are independent and often will not listen to good advice, even from family members. They will venture out on their own at any early age. They will have trouble during the first (growing up) and second (work) periods of their lives. The third (retirement) will be the best for they will have settled down.

Tragically, some born in the Year of the Horse were imprisoned for months in the horse stalls of Santa Anita (LA) and Tanforan (San Bruno) racetracks in early 1942.

2013 HOLIDAY TRADITIONS IN THE PLAZA

By Marcia Hashimoto, photos by Mas Hashimoto

Thanks to our W-SC JACL members and friends, our participation in the Holiday Traditions celebration on Sat. Dec. 7th was fun and successful.

It rained heavily the night before but it cleared for the day of the event. While sunny and bright, it was a bit cool.

The Watsonville Taiko youth and adults presented an exciting performance that welcomed the public to an afternoon of cultural awareness and appreciation. Their rhythmic drumming could be heard far beyond the plaza’s grounds and attracted the attention of the public to join in this cultural event.

Mrs. Mitsuyo Tao’s strikingly beautiful Ikenobo ikebana arrangement and Iwao Yamashita’s magnificent bonsai were impressive highlights of our colorful cultural display. We are so grateful for their masterful artistry and willingness to support our activities.

“My father Taichi built our Taiko Club 42 years ago and has given us so much. He’s retiring this year. I want to thank all the Watsonville Taiko members, and our music director, Bobbi Jo Palmer for their help. We are all so grateful for our community support."---Aimee Mizuno, Watsonville Taiko member

The “Set-up” crew and activity helpers were Marcia Hashimoto, Debee Chan, Aimee Mizuno, Mitsuyo Tao and Thomas Chan.
Many families visited our booth and enjoyed having their names written in katakana Japanese on a book marker, thanks to the enthusiastic help of Aimee Mizuno and her father, Takashi, and Nozomi Banks. Aimee’s mother, Katherine, cheerfully assisted with the book mark decorating. Incidentally, these decorations could also be placed on the family Christmas tree as an ornament.

To their delight, children and adults learned how to fold origami paper into cute faces of a dog and cat, two types of butterflies, a caterpillar, basket-box, and other creations, thanks to the patient guidance and encouragement of Debbe Chan and Bob Gomez.

Thank you, Mas Hashimoto, for being our greeter and for explaining New Year’s (mochi), Girl’s Day, Boy’s Day, Tanabata, ikebana, and bonsai displays. Our thanks to Mas and Phil Shima for taking photos.

Special appreciation is extended to the Boy Scouts, Thomas and Debbe Chan, the Mizuno family, Nozomi Banks, Bob Gomes, and Mas for setting up and cleaning up our booth area. Thank you for making it possible to proudly share our Japanese cultural traditions with the greater community of Watsonville.

DAISY IKU NAGAMINE

Daisy Iku Nagamine passed away peacefully at home Saturday, November 30, 2013, surrounded by her loving family.

Daisy was born in Fort Lupton, Colorado and went to Japan in 1930, after marrying Osamu Nagamine she returned to the U.S. in 1956. They moved to Watsonville in 1962 and worked diligently to build a successful flower nursery business.

She was a hard working, compassionate, selfless person who sacrificed a lot for her family. She was also an
excellent cook and a generous person, who relished the time she had with her grandchildren.

She is survived by her husband Osamu of 57 years; daughter Doris (Shuzo) Yonemura, son James, son Mike (Kathy); 5 grandchildren, Mark, Lori, Erick, Chris and Doug; sister Hideko (Akira) of Watsonville, brothers Toshimi (Keiko) and Tatsuro (Yachie) in Japan and by numerous nieces and nephews.

A memorial service was held at the Watsonville Buddhist Temple on Saturday, December 7, 2013.

TOMIO TSUDA

Tomio Tsuda passed away peacefully at his home last Sunday December 1, 2013.

Mr. Tsuda was born in Walnut Grove California and raised in Delano California. He met his wife in the internment camps and after the War moved with her to Watsonville where he started a life for his wife and new family. He began working in farming and produce. He then started working at Watsonville Radiator Works and later owned the business himself. He was very involved with the VFW and Independence Square.

Mr. Tsuda loved his family and friends. He was quite the entertainer. He always had a story to share or a joke to tell. He loved to sing and play his harmonica among his friends. He loved to listen to his Country records, bingo, bowling, and all sorts of puzzles, his favorites being jigsaw puzzles and crossword puzzles.

Mr. Tsuda is survived by his wife of over 60 years, Frances Tsuda of Watsonville; sons Kenny (Rosie) Tsuda; Jack Tsuda; Tomi (Rickee) Tsuda; Brother Richard Tsuda; sisters Marsha Wada and Marian Asami; 3 grandchildren Jennifer Tsuda, Naomi Tsuda, Andrew Vargas and numerous nieces and nephews. He was preceded in death by his father, mother, stepfather, brother and two sisters. There will be no service at this time.

FRANCES “KATHRYN” KOREMATSU

Frances “Kathryn” (Pearson) Korematsu passed away in her sleep on October 28, 2013, in Oakland, Calif., at age 92.

Kathryn had a remarkable life. She was born on March 14, 1921, in Greenville, S.C., but as a child moved around between South Carolina and North Carolina wherever her father, who was a woodworker, could get work in the mills, especially during the Depression Era.

Kathryn was the first one on either side of her family of many cousins to receive a college degree. In June 1942, she received her Bachelor of Science Degree from Winthrop College, the South Carolina College for Women (now Winthrop University), in Rock Hill, S.C., and went on to receive a Master of Science in Medical Technology degree in January 1945 from Wayne University in Detroit, Mich.

After graduation she worked in the lab at Henry Ford Hospital in Detroit where she did testing on the benefits of penicillin and later taught nurses at Mount Carmel College of Nursing, in East Lansing, Mich.

She will be remembered most for her unwavering support and encouragement that was given to her husband, Fred, for 58 years. She married Fred T. Korematsu (1919-2005), an Oakland, Calif., native, on October 12, 1946, in Detroit, Mich., where they had met.

They moved to California in 1948. Fred’s landmark U.S. Supreme Court case, Korematsu v. United States, challenged the constitutionality of the Japanese American incarceration during World War II. He lost his case in 1944, but his conviction was overturned in 1983 when it was proven there was no military necessity for the incarceration of 120,000 people of Japanese ancestry.

Through the years, she was involved in several organizations and charitable work. She served as a Brownie Troop Leader for the Girl Scouts, Den Mother for the Cub Scouts, the PTA, “Lioness” in the San Leandro Lions Club, and various programs over the years with the First Presbyterian Church of Oakland.

She was a loving mother to her daughter, Karen, and son, Ken, and a caring mother-in-law to Donald and Cecy. She is also survived by her loving sister-in-law, Carolyn Pearson, and dear nephews and nieces, grandnephews, and grandnieces. She is predeceased by her brother, Paul David, who was 15 years her junior and had an untimely accidental death in 2002, and by her dear little sister, Virginia Lee, who died at the age of 5 of scarlet and rheumatic fevers.
Family and friends attended a memorial service on Saturday, November 30, 2013, at the First Presbyterian Church in Oakland, Calif.

Our honored guest at our Tri-Chapter Installation luncheon in 2011 was Frances “Kathryn” Korematsu.

Karen, Kathryn, and Donald Haigh, photo taken at the Seascape Golf Course, Jan. 23, 2011, one week prior to the observance of the first Fred Korematsu Day.

In lieu of flowers, the family requests that donations be made to the First Presbyterian Church, to the Fred T. Korematsu Institute (via the Asian Law Caucus; Korematsu Institute, 55 Columbus Avenue, San Francisco, CA 94111, please specify the Korematsu Institute in the gift designation), or a charity of your choosing.

THOMAS W. CONANT

Tom Conant was born in Nevada on Feb. 15, 1953 and passed away on Nov. 29, 2013.

He grew up in Tacoma, Washington, where he lived with his eight siblings and two parents. After graduating from Bethel High School in 1971, he hitch-hiked across the US, and sold his car for a ticket to Barcelona. He spent the next six months traveling Europe and working on a luxury yacht in Perea. After returning to the States, he came to California, where he enlisted in the US Army. He worked as an illustrator and motion picture photographer at Fort Ord for 3 years (shooting cameras in lieu of guns).

He met his wife, Ikuyo, at a Halloween dance at Monterey Peninsula College. They married and moved to Santa Cruz to attend UCSC. After the graduation, they moved to Ikuyo’s hometown of Numazu in Japan. In Japan, Tom worked as a technical writer for Toshiba, pursued his dream of photojournalism, and was an avid scuba diver. After two years, they returned to the States and he found his calling as a teacher, working with Santa Cruz City Schools’ adult education program for over 20 years. After his second daughter was born, Tom took up painting and film-making, and is the writer of several scripts, one of which was made into the short film ‘Julian’s Garden’. His passion for the arts and teaching stayed with him for all of his years. His kindness, gentle nature and enthusiasm for making a difference will be missed and remembered by many.

Tom passed on to his next journey surrounded by loving family, music, and immense support. He is survived by his wife, Ikuyo, and his two daughters, Ailin and Myjah. Friends and family are invited to attend his memorial services at the Santa Cruz Veterans Memorial Building on Sunday, January 5th at 11:00 a.m. Please RSVP to conantmemorial@gmail.com. Memorial donations may be made to Heartland Hospice of Santa Cruz County.

NELSON MANDELA, 1918-2013

If you want to make peace with your enemy, you have to work with your enemy. Then, he becomes your partner.

If you talk to a man in a language he understands, that goes to his head.

If you talk to him in his language, that goes to his heart.

During my lifetime I have dedicated myself to this struggle of the African people. I have fought against white domination, and I have fought against black domination. I have cherished the idea of a democratic and free society in which all persons live together in harmony and with equal opportunities. It is an ideal which I hope to live for and achieve. But, if needs be, it is an ideal for which I am prepared to die.

The truth is that we are not yet free; we have merely achieved the freedom to be free.

Go well, Madiba, and thank you.

[Editor’s note: In our short lifetime, we have had the wisdom of Mahatma Gandhi, Dr. Martin Luther King, Jr. and Nelson Mandela. Now, it is up to us to incorporate them into our daily lives. They were citizens of the world.]

We send our deepest condolences to the Nagamine, Tsuda, Conant, Korematsu and Mandela families, relatives, and friends.
PETITION TO THE US POSTAL SERVICE FOR TEN CAMP COMMEMORATIVE STAMPS

We are grateful to the NCWNPD Governor, David Unruhe, for the support of the NCWNPD. Here, then, is his letter:

December 4, 2013

Citizens’ Stamp Advisory Committee
U. S. Postal Service
475 L’Enfant Plaza, SW, Room 3300
Washington, DC 20260-3501

Dear Members of the Citizens’ Stamp Advisory Committee:

On behalf of the Northern California Western Nevada Pacific District of the Japanese American Citizens League, I request that the Citizen’s Stamp Advisory Committee (CSAC) support a set of 10 commemorative stamps on the 10 major Japanese American WWII camps. This could educate new generations of Americans about the need to safeguard our civil rights and civil liberties in times of crisis, plus, if completed in 2017, help commemorate the 75th anniversary of the incarceration.

In support of the stamp proposal of the Watsonville-Santa Cruz (CA) Chapter of the National Japanese American Citizens League and leader Mas Hashimoto, we request that ten (10) commemorative stamps be issued. This would be one specifically designed for each camp—Amache, CO; Gila River, AZ; Heart Mountain, WY; Jerome, AR; Manzanar, CA; Minidoka, ID; Poston, AZ; Rohwer, AR; Topaz, UT; and Tule Lake, CA.

The stamps will honor all those Japanese Americans who suffered, endured, and resisted the racism, humiliation, and shame of this injustice. The stamps will also provide an invaluable teachable moment for our country. How can Americans ensure that our country’s leaders protect our cherished civil rights and civil liberties in another time of crisis? Seeing how Muslim, Arab, Sikh, and South Asian Americans faced backlash, persecution, and violence after 9/11, just as Japanese Americans suffered after the December 7, 1941 bombing of Pearl Harbor, highlights how crucial it is to guard our rights today.

A suggested date for the dedication of this set of stamps is February 19, 2017 - a Day of Remembrance on the 75th anniversary of Executive Order 9066. This 2017 date would fit the customary three year stamp planning process.

Sincerely

David Unruhe, District Governor,
Northern California Western Nevada Pacific District
Japanese American Citizens League
1765 Sutter Street, San Francisco, CA 94115
(415) 345-1075

We are grateful also to the Florin, Lodi, and Sonoma County JACL Chapters and to Pam Yoshida of San Jose for writing letters of support. Meg Mizutani of Sonoma County JACL asked 30 members to not only sign their letter but to disclose the camp they were incarcerated!

If you are able, please write to the Citizens’ Stamp Advisory Committee, and thank you.

FRESNO TOWER MADE OF POSTON WOOD

By Dr. Art Hayashi

On Nov. 19 the 26-foot Soul Consoling Tower, at Simonian Farms, 2629 South Clovis Avenue, Fresno, was formally dedicated.

Dennis Simonian created the memorial tower with wood obtained from the Poston barracks. He did so to honor the five families who graciously shared their passion and knowledge of farming, of family values, of the ethics of hard work, honesty, and the importance of setting goals in life. The five families honored were:

Shigeo and Kimuko Hayashi and family,
Masao and Hanako Hayashi and family,
Bob and Masako Nakadoi Mochizuki and family,
Ted and Irene Takahashi and family,
Yosh and Yo Takahashi and family,

These families were incarcerated during WW II.

Photo courtesy of Dr. Arthur Hayashi.

As observers enter the obelisk design they experience the sensation of being surrounded by the same prison wood. They try to imagine the feelings the Japanese Americans must have felt, feelings of claustrophobia, and that there’s no way out, and betrayal by their fellow Americans as they were denied the same freedom that the rest of America was fighting for. The hope is that visitors will feel a symbolic loss of their own freedoms for a moment or two. But, as they look to the open sky, there’s a message of hope … hope that a free future is near … a veritable light at the end of the dark tunnel that one leaves behind them … but never forgets.”

Dennis Simonian and Family

Daniels Wood Products of Paso Robles built the tower.

POSTONITES! WE NEED YOUR HELP!

By Mas Hashimoto, Camp II

Were you or some members of your family incarcerated in Poston, Arizona? Were they in “Roasten,” “Toasten,” or “Dusten”? These were the nicknames for Camp I, Camp II, and Camp III.
The Poston Community Alliance needs your help. The mission of the Alliance is to create a foundation for educating the public about what took place at Poston during WW II. The Alliance is on a major fund-raising campaign (engraved bricks) to restore Poston’s remaining historic structures to create a museum. This museum will tell the stories of the Japanese Americans and the Native Americans of the Colorado River Indian Tribal Council who shared their land.

Please use the form in this newsletter to order your brick(s). Checks should be payable to Poston Community Alliance and mailed to:

The Power of Our Stories: The Fight for Civil Liberties in the Japanese American Community and Beyond

Sun Jan 05 2014 2:00 PM Santa Cruz Public Library, 224 Church St., Santa Cruz, CA, Free and Open to the Public.

The Santa Cruz Library is currently hosting an exhibit based on the book Wherever’s There’s a Fight. In line with the exhibit, co-authors Elaine Elinson and Stan Yogi will present an overview of California civil liberties history from the Gold Rush to the post-9/11 era, highlighting courageous Californians whose battles in courts, classrooms and streets shaped the rights we have today. When they reach the moment of the most egregious violation of civil liberties in California history—the mass incarceration of Japanese Americans during World War II—they will be joined by Brian Komei Dempster, editor of Making Home from War, who will read first-person stories written by former camp prisoners. The program will also illuminate how past battles carry lessons for today, as Brian shares poems from his debut collection Topaz, which examines the Japanese American imprisonment experience, its legacy and impact on younger generations, and intersecting issues of race, gender, sexuality, and power.

Our featured guest speaker will be Jeanne Wakatsuki Houston, co-author of Farewell to Manzanar.

Elaine Elinson (above left) was the communications director of the ACLU of Northern California and editor of the ACLU News for more than two decades. She is a coauthor of Development Debacle: The World Bank in the Philippines, which was banned by the Marcos regime. Her articles have been published in the Los Angeles Daily Journal, the San Francisco Chronicle, The Nation, Poets and Writers, and numerous other periodicals. She is married to journalist Rene CiriaCruz and they have one son. Photos by Matthew Elinson and by Grace Chow.

Brian Komei Dempster (right) is a Sansei (third-generation Japanese American). He received BAs in American ethnic studies and English from the University of Washington and an MFA in creative writing from the University of Michigan. His poems have been published in various journals and anthologies. Dempster is the editor of From Our Side of the Fence: Growing Up in America’s Concentration Camps, which received a 2007 Nisei Voices Award from the National Japanese American Historical Society. His debut book of poems, Topaz, is forthcoming from Four Way Books in fall 2013. He is a professor of rhetoric and language and a faculty member of Asian Pacific American studies at the University of San Francisco. Currently, he divides his time between teaching and serving as Director of Administration for the master of arts program in Asia Pacific studies. Read more on his website.

Stan Yogi managed development programs for the ACLU of Northern California for fourteen years. He is the coeditor of two books, Highway 99: A Literary Journey through California’s Great Central Valley and Asian American Literature: An Annotated Bibliography. His work has appeared in the San Francisco Chronicle, MELUS, Los Angeles Daily Journal, and several anthologies. He is married to nonprofit administrator David Carroll and lives in Oakland.

HELP IS STILL NEEDED IN JAPAN

Tokyo (Kyodo) As many as 278,000 people remained evacuees Nov. 14, 2013 as a result of the magnitude 9.0 earthquake and tsunami that devastated northeastern Japan on March 11, 2011, the Reconstruction Agency said Dec. 4, 2012, 1,000 days after the disaster.
The number marked a fall from a peak of about 470,000. The evacuees include 49,554 who have left Fukushima Prefecture, where the disaster caused a serious crisis at nuclear power plant.

The earthquake-tsunami disaster killed 15,883 people and 2,651 are still unaccounted for as of Nov. 8. Search for the missing continues in the affected area.

An additional 2,688 deaths, including those from evacuation-caused health deterioration and suicides, were noted by the agency.

Help is still needed.

AMBASSADOR CAROLINE KENNEDY

Caroline Kennedy presented her credentials to Emperor Akihito on November 19th, 2013 in a simple ceremony at the Imperial Palace, Tokyo, Japan. She was cheered by thousands of Japanese well-wishers along her route to the palace and back (to the American embassy).

Japan, today, is our most cherished and respected ally in the Pacific Rim, and we believe Ambassador Kennedy will ably serve the mutual interests of both countries.

We believe she will develop an even closer relationship, and we wish her the very best.

Other previous Americans who ably served our country as ambassadors to Japan were (a select list):

WATSONVILLE TAIKO AND SHINSEI DAIKO

By Bonnie Chihara

On Dec 7th we participated in Holiday Traditions at Watsonville's Plaza Park. We opened the event with our children's group playing the taiko music they'd been practicing for several weeks. Sensei Ikuyo Conant was there to lead the group with back up from members of our advanced performers.

We all had a great time at our annual Holiday Party on Dec. 13th. We enjoyed seeing new and old friends welcoming more than 60 people to share good food and good company. Our business manager Taeko D'andrea led us through some fun and exciting games. Our talent show included a storyteller, taiko drummers and singing. We honored members of our group for their hard work during the year-Hiroshi Musselman for his excellent organizational skills in keeping our storage under control, Sue Walter for organizing and heading the basketmaking for our Holiday Boutique, Joyce Smith for all her work on our Facebook page, Cindy Mine for always being there to help us for any event, and Bonnie Chihara for her raffle quilts. Of course, we couldn't keep going without everyone's help and support—both members and non-members. We truly appreciate your support. And a special thank you to Taeko D'andrea and Sensei Ikuyo Conant for all their hard work all year long! We hope everyone has a wonderful Holiday season and Happy New Year!

Our Anniversary performance is scheduled for February 15th and 16th, 2014 at Cabrillo College Crocker Theater. For ticket information, please contact Crocker Theater at (831) 479-6154 or www.cabrillovapa.com or contact Watsonville Taiko at (831) 435 4594 or email us at info@watsonvilletaiko.org or visit our website www.watsonvilletaiko.org.
THANK YOU FOR RETURNING THE BALLOTS

Thank you to the 76 W-SC JACL National members who returned their ballots. We are very grateful to those who voted.

Congratulations to Marcia Hashimoto, David Kadotani, Brooke Kondo, Gary Mine, and Aimee Mizuno who were elected for a three-year term to our chapter board of directors. And, thank you for your service to our organization and community.

CONGRATULATIONS TO OUR 2014 OFFICERS!

Marcia Hashimoto will lead the W-SC JACL in 2014 as President. She will be ably assisted by David Kadotani, 1st Vice President; Victor Kimura, 2nd Vice President and Treasurer; and Cindy Hirokawa Mine as Secretary.

As W-SC JACLers we all share several issues in common--civil and human rights for all, cultural outreach, gratitude to our Nisei veterans, and educating young and old of the injustices perpetrated on 120,000 innocent persons of Japanese ancestry--our incarceration--during WW II.

JACL membership is open to everyone and is not limited to Japanese Americans. Please encourage your family and friends to join and participate in our upcoming activities. A membership application form is located on the back cover of this newsletter.

SENIOR CENTER NEWS by Kitako Izumizaki

Already we have reached the last month of the old year, and are looking forward to 2014 with great hope and expectations. “Shopaholic Seniors” took a bus to San Francisco for a day of shopping to start off the last month. Jon and Alice Drier and Toshi Yamashita provided the goodies for this trip.

The following Sunday was our annual Christmas celebration with manager lwao Yamashita thanking all for coming to the festivities. After a moment of silence, the group sang God Bless America followed by the Rev. Dan Hoffman of Westview Presbyterian Church giving us his greetings.

The Westview Choir consisting of Edna Nagata, Diane Mio, Joanne Hayashi, Dr. Arthur Hayashi, Rev. Hoffman and Lynn Nagata led the group in singing Christmas carols.

Greetings were then given by Tosh Tanaka, JACL president and Rev. Shousei Hanayama.

Cake cutting by seniors over 90 was led off by Mitsue Tao 90, Kitoko Izumizaki 92, Haruko Yoshii 96, Nancy Iwami 99, Yoshino Matano 98, Louise Sako 96, Mitzi Katsuyama 93, Fred Oda 90, and Michiko Hamada 92. Absent were Masako Miura 99, Miye Yamashita 95, Frances Goon 94, Chiyoko Yagi 93, Carmel Kamigawachi 92, Hide Nagamine 92, Akira Kodama 92, Sam Sugidono 91, Roland Johnson 91, and Gladys Fukumoto 90.

Gift drawing followed with Paul Kaneko as MC and Rev. Hanayama as Santa. Helpers were Rev. Hoffman, Tosh Tanaka, Fred Oda and lwao Yamashita. Words of appreciation were given by manager Paul Kaneko on behalf of the Senior Center. He thanked one and all for our great support during the whole year and listed activities taken by the Center. He invited others to join the group as we have fun. Special thanks to the JACL for all their help and giving us a nice safe place to meet.

On December 5th, Seniors were surprised when entering the center to find each table decorated with a white orchid plant, plus sweets in a bag with a photo of a very young couple in their wedding attire. The 50th wedding anniversary of Sunao and Junko Honda was celebrated - arranged by daughter Kris Matsuo. The following Thursday, another surprise was finding candy canes decorated as reindeer in a box decorated with Santa with a sign saying “Happy Birthday, Helen.” A dish of homemade cookies was on the table and everyone was served a delicious dessert, all the work of Susan AmRhein, honoring her mother, Helen Nakano’s birthday.

Good to see Rubie Kawamoto after her absence. Chiyoko Yagi is now at home and will be happy to receive visitors. Cindy Mine came several times to take blood pressures. This month was full of surprises as Jee Kajihara from Imura Restaurant brought over soup and dinner for all to take home and enjoy. Jee wished us all a Merry Christmas and Happy Holidays also. We appreciate her thoughtfulness as she brings us ice cream in the heat of summer too. Special guest was Makiko Inomoto, a UC
We thank Roland Johnson also being able to join us at his birthday celebration. We welcomed back Motoko and Kinji House after several long weeks of being under the weather. Hope to see both of you in the best of health in the coming year.

Paul announced that it was time to renew membership now. He also announced that the Senior Center would pay half the bill for making the doors to the center fire proof for all of our safety.

December birthday celebrants were Kinji House, Roland Johnson 91, and Helen Nakano. Jim Kawamoto was absent. Roland received a package of manju. Since this was the last meeting, the end of the year program was held also. Tables were decorated with potted primrose plants in all colors, the donation and work of Hisako Kodama. The head table was graced with a large arrangement of assorted blooms, the work and donation of Mitsuyo Tao and Jean Akiyama.

Thank you, Senior Center Managers: Paul and Carol Kaneko, Iwao Yamashita, June and Sunao Honda!

Many thanks to toban workers for this very busy month--June Honda, Mitsuyo Tao, Eileen Byers, Sachi Snyder, Aimee Mizuno and Sunao Honda. Iwao Yamashita thanked all workers for all their efforts during the year, especially Paul and Carol Kaneko for their hard work. Paul read off the names of all who made special efforts during the year and each received a potted colorful poinsettia plant. He also mentioned that the years seem to go faster as one gets older. He appreciates all the work and generous donations both monetarily and otherwise given by all. After bingo, the group went to Hong Kong II for a tasty dinner. This scribe told the group that no other Senior Center group has been running as long as we have for a tasty dinner. WESTVIEW HIGHLIGHTS by Leslie Nagata Garcia and photos by Randy Mano

Christmas Caroling: on December 14, Westview carolers were joined by Girl Scout Troop #14042 to sing Christmas carols at local senior facilities. The places visited were Valley Convalescent, Country Villa (east and
Westwings), Wesley House on Brewington and Wesley House in La Selva Beach. It is a joy to have the residents join in the caroling. Their gratitude, especially for the youth, is heartwarming. Our hope is to touch those we meet but find that we are the ones truly blessed.

**Westview Carolers** at our first stop, Valley Convalescent on Freedom Blvd.

**Our Christmas Appreciation Luncheon**, held on December 15, was a joyous celebration. Everyone enjoyed the delicious ham dinner with all the trimmings. **Randy and Tracy Mano** were honored for their dedication to our Lord and Westview. Randy, as elder has been the Guiding Ministry chair and audio visual technician for many years. He also single handedly repaired the manse so it could be rented. Tracy started the women’s ministry and later became a deacon. During the passing of the mic many personal expressions of love and gratitude were shared. The men of **Teen Challenge** joined us for worship and the luncheon. Randy has a special heart for this organization and they have been a recipient of the Harvest Dinner free will offering. Gifts were presented to the Mano’s as a token of our love and appreciation. This event concluded with our Christmas gift exchange.

**Randy and Tracy Mano** were honored for their service and presented with a special cake.

As a part of the **Deacon’s Christmas Outreach Program**, we wanted to bring some holiday cheer to inmates of the Santa Cruz jail, as we did last year. We filled 60 bags of sweet treats provided by the Deacons. We thank the coordinator, **Lynn Wagner**; youth director **Jordan Sousa** and our youth for assembling the bags; and **Candy McCarty, Diane Mio** and **Jane Yoshida** for making this project possible.

**Willie and Joanne Yahiro** are wrapping gifts to be given to members of the JACL Senior Center at the JACL Senior Center Christmas Party. On December 8th Westview members and friends joined the **Praise Team** to sing Christmas carols for the JACL Senior Center. Everyone had a glorious time as they sang favorite Christmas carols together, received gift bags and JACL members over 90-years-old helped cut the delicious cake that was donated by Westview.

**Enjoying the gift exchange are Suzanne Mine Eguchi, Bobby Yoshino, Dr. Art Hayashi, Diane Mio, and Faye Hashitani** (above) and **Nancy Watson, Louise Sako, Emily Takemoto, Edna and Yukio Nagata**.
**Loaves and Fishes:** Westview Family and Youth prepared and served a Thanksgiving meal at Westview for *Loaves and Fishes*. A special thanks to everyone who pitched in to help make this a heartwarming event.

**Salvation Army Meals:** Our next date to prepare meals for the Salvation Army will be on **January 10th**. Please meet at **Westview** at 2 p.m. if you would like to volunteer. During World War II, of the 110,000 interned Japanese Americans, almost 18,000 were incarcerated in the Poston Concentration Camp on the Colorado River Indian Tribes (CRIT) Reservation in Arizona. The Poston Memorial Monument (below) was built in 1992 through the efforts of a determined and passionate group of detainees with support from the CRIT.

The mission of the Poston Community Alliance is to create a foundation for educating the public about what took place at Poston, Arizona during World War II. The Alliance is on a major fundraising campaign to restore Poston’s remaining historic structures to create a museum. This museum will tell the stories of Japanese Americans and Native Americans who shared the surrounding land.

For $100 donation or more, you can purchase a 4" x 8" brick with a personalized inscription (name of former Poston internee, donor’s name, or words of your choice).

Working toward our national goal of Better Americans in a Greater America is a worthy one. One does not have to be of Japanese ancestry to be a JACL member, but one must believe that safeguarding the rights of all Americans and legal residents is of utmost importance in this country.

Please join us today. We are the most proactive, oldest, and respected Asian American civil rights organization, and our programs include cultural appreciation and educational outreach.

Your membership is never taken lightly or for granted. We have worked diligently to earn your confidence and trust. Your active participation and membership can make a significant difference in what happens today in our community and in our nation.

Please help us fight racial prejudice, discrimination, racial profiling, bigotry, intolerance and indifference.
